

Vendor: HP

Exam Code: HP0-J53

Exam Name: Designing HP Storage Datacenter Solutions

Version: DEMO

QUESTION 1

Which feature does the 3PAR InForm OS provide?

- A. redirect-on-write snapshot technology
- B. CIFS/MFS NAS support
- C. cache partitioning
- D. wide striping

Answer: D

QUESTION 2

Drag and Drop Question

Click the Task button. Indicate which Thin technologies HP 3PAR supports.

Thin technologies

Thin Conversion	place here
Thin Persistence	place here
Thin Storage	place here
Thin Capacity	place here
Thin Provisioning	place here

Choices

3PAR supports	3PAR does not support
---------------	-----------------------

Done

Answer:

Thin technologies

Thin Conversion	3PAR supports
Thin Persistence	3PAR supports
Thin Storage	3PAR does not support
Thin Capacity	3PAR does not support
Thin Provisioning	3PAR supports

Choices

3PAR supports	3PAR does not support
---------------	-----------------------

Done

QUESTION 3

You are performing a customer orientation session during implementation of an HP P4500 Virtualization Storage System solution. What is the underlying snapshot volume of a SmartClone volume called?

- A. snap point
- B. clone point
- C. clone copy
- D. smart copy

Answer: B

QUESTION 4

What are two of the required parameters for creating a virtual volume using the 3PAR InForm GUI? (Select two.)

- A. volume name
- B. thick or thin provisioned
- C. CPG
- D. step size
- E. host target

Answer: AC

QUESTION 5

Your customer has decided to migrate their backup infrastructure to D2D-based architecture from LTO2-based tape devices. The customer has several SQL databases of varying sizes, the largest being 300GB and a file server containing 500GB of data. When creating the virtual libraries on the D2D, which media size needs to be created for the file server data to minimize performance impact caused by housekeeping operations?

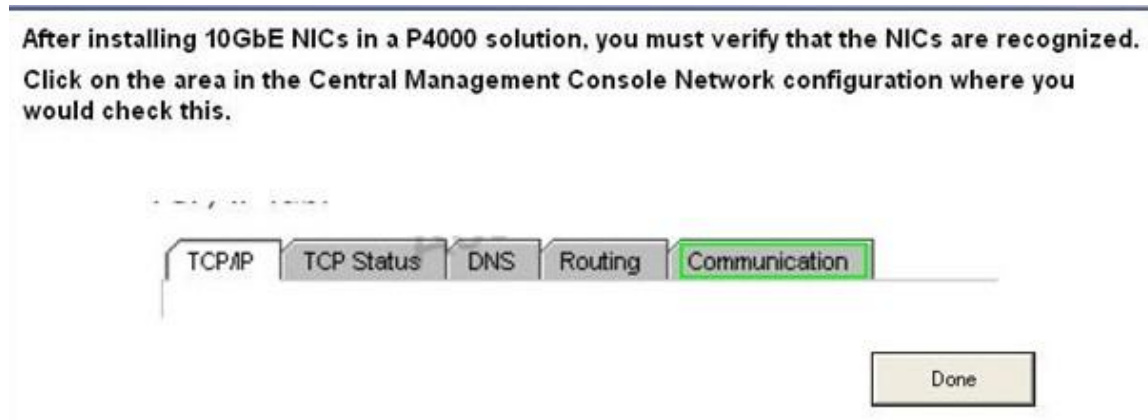

- A. 100GB
- B. 200GB
- C. 400GB
- D. 600GB

Answer: D

QUESTION 6

Hotspot Question

Click the Task button. After installing 10GbE NICs in a P4000 solution, you must verify that the NICs are recognized. Click on the area in the Central Management Console Network configuration where you would check this.

Answer:

After installing 10GbE NICs in a P4000 solution, you must verify that the NICs are recognized. Click on the area in the Central Management Console Network configuration where you would check this.

QUESTION 7

How many managers are needed to achieve an optimal configuration in a P4500 Virtualization

SAN environment with two physical sites and one logical site?

- A. 2
- B. 3
- C. 4
- D. 5

Answer: B

QUESTION 8

Which statement is true about using a StoreOnce NAS share for backup?

- A. The first 24MB of a file are not deduplicated.
- B. 50% of the space can use a general purpose NAS.
- C. NFS NAS shares offer a greater deduplication ratio than a Virtual Tape Library (VTL).
- D. Virtual Tape Library (VTL) and NAS traffic should be split across the D2D adapters.

Answer: A

QUESTION 9

Which switch configuration for B-Series switches must be used in an HP Continuous Access EVA environment for all Fibre Channel switches in the path from the source array to the destination array when the HP-FC protocol is used? (Select two.)

- A. enable port-based routing
- B. enable Exchange-based routing
- C. enable in-order delivery
- D. disable in-order delivery
- E. connect EVA ports to ASIC0
- F. connect EVA ports to ASIC1

Answer: AC

QUESTION 10

Which vSphere configuration menu must be used in order to enable iSCSI functionality for communication with a P4000 network using vSphere4?

- A. Network Adapters
- B. Storage Adapters
- C. Software Configuration
- D. Storage Configuration

Answer: B

Thank You for Trying Our Product

Braindump2go Certification Exam Features:

- ★ More than **99,900** Satisfied Customers Worldwide.
- ★ Average **99.9%** Success Rate.
- ★ **Free Update** to match latest and real exam scenarios.
- ★ **Instant Download** Access! No Setup required.
- ★ Questions & Answers are downloadable in **PDF** format and **VCE** test engine format.
- ★ Multi-Platform capabilities - **Windows, Laptop, Mac, Android, iPhone, iPod, iPad**.
- ★ **100%** Guaranteed Success or **100%** Money Back Guarantee.
- ★ **Fast**, helpful support **24x7**.
