

Vendor: SAP

Exam Code: C_TBIT44_71

Exam Name: SAP Certified Development Associate -
Process Integration with SAP NetWeaver (PI 7.1)

Version: DEMO

QUESTION 1

Which of the following tuning parameters are used to improve performance when processing messages with Quality of Service Exactly Once (EO)?

Note: There are 2 correct answers to this question.

- A. EO_INBOUND_PARALLEL
- B. EO_OUTBOUND_PARALLEL
- C. QUEUE_COUPLING
- D. QRFC_QUEUE_RESTART_ALLOWED
- E. LOGGING_SYNC

Answer: AB

QUESTION 2

A SOAP client calls a PI, using the sender SOAP adapter. Which of the following statements correctly describe using the quality of service of 'Exactly Once'? Note: There are 2 correct answers to this question.

- A. A message ID must be provided with the message, otherwise an error will occur.
- B. When providing the message ID externally, the parameters 'Use Encoded Headers' and 'Use Query String' must be set to true.
- C. A receiver determination is not necessary.
- D. If the message ID has been used before, the message will be marked as duplicate and then discarded.

Answer: BD

QUESTION 3

The Services Registry provides visibility in an SOA landscape. Which statements describe the Services Registry?

Note: There are 2 correct answers to this question.

- A. The Services Registry shows where in the landscape, services are located.
- B. The Services Registry is used to create Enterprise Services.
- C. The Services Registry is used by developers to find available Web services they can reuse.
- D. The Services Registry provides a system landscape description.

Answer: AC

QUESTION 4

Enabling service consumption in a consumer application is a three step process. Which of these steps are relevant within this process?

Note: There are 3 correct answers to this question.

- A. Generate Consumer Proxy.
- B. Configure Service Consumer.
- C. Create a Composite Application for Service Consumption.
- D. Implement the service call within the consumer application.

Answer: ABD

QUESTION 5

The IT landscape of your company has been transferred to an SOA Architecture. You want to develop a Consumer application supporting credit management. Which of these development environments can be used?

Note: There are 3 correct answers to this question.

- A. Composite Application Framework.
- B. Any development environment which is able to create a Consumer Proxy from a WSDL file.
- C. An ABAP report, created using transaction SE80.
- D. Enterprise Service Builder.

Answer: ABC

QUESTION 6

What is a PI Pipeline?

- A. A proxy object in the Java runtime
- B. An integration engine configured as a HUB
- C. An integration server on an application system
- D. A configured sequence of pipeline services

Answer: D

QUESTION 7

You use a Direct Connection to configure direct communication between two business systems. Which statements describe such a connection?

Note: There are 3 correct answers to this question.

- A. In direct communication, two business systems use the Web service runtime to communicate with each other directly without using a central Integration Server.
- B. You can use Process Integration runtime services such as mapping in direct communication.
- C. You can make the necessary configuration settings for the involved systems centrally in the Integration Builder.
- D. Direct communication is based on the standard Web Service Reliable Messaging protocol (WSRM).

Answer: ACD

QUESTION 8

Which of the following statements about Enterprise Services are true? Note: There are 2 correct answers to this question.

- A. They are semantically harmonized across applications.
- B. They are based on Global Data Types, which are defined using the UN/CEFACT Core Component Technical Specification (CCTS).
- C. They can only be executed synchronously.
- D. They are not different from regular web services.

Answer: BC

Thank You for Trying Our Product

Braindump2go Certification Exam Features:

- ★ More than **99,900** Satisfied Customers Worldwide.
- ★ Average **99.9%** Success Rate.
- ★ **Free Update** to match latest and real exam scenarios.
- ★ **Instant Download** Access! No Setup required.
- ★ Questions & Answers are downloadable in **PDF** format and **VCE** test engine format.
- ★ Multi-Platform capabilities - **Windows, Laptop, Mac, Android, iPhone, iPod, iPad**.
- ★ **100%** Guaranteed Success or **100%** Money Back Guarantee.
- ★ **Fast**, helpful support **24x7**.
